## The "Drummer"

Of all the rotating peg panel displays, this is the premier unit. Patented three point suspension prevents panel bowing, and can hold up to 175 pounds. A unique assembly method locks all of the panels together so that the "Drummer" may be moved without the unit coming apart. The most attractive feature of all is the easy no tool assembly.

- *Built In Sign Holder*
- *Over 21 Square Feet of Prime Merchandising Area*
- *Panels Rotate Smoothly on Nylon Washers*
- *Three Point Suspension Keeps Panels from Bowing*
- *Panels are Edged with Walnut Brown Plastic for Better Appearance and Protection*
- *May Be Used with Clear View 2-pc. Displays and Custom Accessories*
- *Ships Via UPS*
- *Patented Walnut Brown Base Assembles Quickly with Wing Nuts and Bolts*
